Determination of Eligibility for Community-Based Adult Services (CBAS)

Dear:

We are sending you this letter to let you know that you have been found **eligible** for Community-Based Adult Services (CBAS). CBAS allows eligible people in Medi-Cal to get skilled nursing care, social services, therapies, personal care, family/caregiver training and support, meals, transportation, and case management in one central location.

CBAS will start on March 1, 2012. Because the Department of Health Care Services entered into a settlement agreement in the *Darling, et al. v. Douglas, et al.* lawsuit, Adult Day Health Care (ADHC) will end on February 29th, 2012, and CBAS will begin the next day. You can read the settlement agreement online at <http://www.dhcs.ca.gov/services/medi-cal/Pages/ADHC/ADHC.aspx>.

What should I do to start getting CBAS?

- If you are **currently** attending an ADHC center, you should ask your center if they are planning to become a CBAS provider.
- If you are **not currently** attending an ADHC center, you can find out which CBAS centers you may be able to go to by calling the California Department of Aging (CDA) at (916) 419-7545.

What if my ADHC center does not plan to be a CBAS provider or I want to choose a different CBAS provider?

- A list of CBAS providers that you may be able to go to will be listed on CDA's website beginning on February 15, 2012, at http://www.aging.ca.gov/programs/adhc/adhc_centers.asp.

or

- Find out which CBAS centers you may be able to go to by calling the California Department of Aging (CDA) at (916) 419-7545 beginning on February 15, 2012.

Do I still get the same services I am getting at my current ADHC center?

Yes. CBAS services will be the same services you receive at your ADHC center. You can find out more about CBAS online at <http://www.dhcs.ca.gov/services/medi-cal/Pages/ADHC/ADHC.aspx>.
